Could be adapted for grade multiplication! This activity can be done at a first grade math station. The goal of the activity is to find the missing addends, and to complete the problem. District Goal(s): Increase the rigor in every classroom School Goal(s): We will: 1. Increase the number of proficient students in social studies and writing. 2. Ensure that all students on grade level will measure at least one year's growth in reading and math; plus ensure more than a year's worth of growth for students who are below grade level. 3.
